## Ransom & Randolph Celebrates Sesquicentennial Anniversary

**Maumee, OH – January 6, 2022** – Ransom & Randolph (R&R) is proudly celebrating its 150<sup>th</sup> anniversary throughout 2022.

In 1872, John Ransom founded the company to provide supplies, instruments, and furniture for barbers, doctors, and dentists. His brother-in-law, Thaddius Randolph would later become partner and The Ransom & Randolph Co. was incorporated in 1892.

R&R has been dedicated to advancing the global investment casting industry, taking pride in providing foundries, dental labs, and jewelers with extensive process knowledge, exceptional technical expertise, and innovative product technology. These commitments have allowed R&R to establish unique relationships with customers, creating loyalty and partnerships that have resulted in a vibrant 150-year-old business. R&R looks forward to many more years of success ahead.

"We have achieved this milestone through the hard work and dedication of our employees and the culture of service that exists throughout the organization. We have dedicated ourselves to 150 years of product innovation and manufacturing expertise to provide our customers with the highest quality products and services," said Daniel Nixon, President. "Throughout 2022, we will be looking at where we started, what we have achieved, and what our plans are for the future. We look forward to celebrating with you!"

As R&R kicks off its 150<sup>th</sup> year, the organization invites you to join in celebrating the milestone anniversary. R&R will celebrate 150 years of business with events for customers throughout the year. Follow them on LinkedIn ([www.linkedin.com/company/ransom-and-randolph](http://www.linkedin.com/company/ransom-and-randolph)) and Facebook ([www.facebook.com/ransom.randolph](http://www.facebook.com/ransom.randolph)) to participate in the celebration.

### About Ransom & Randolph

Founded in 1872, Ransom & Randolph is dedicated to advancing the global investment casting industry. R&R has provided foundries, dental labs, and jewelers with extensive process knowledge, exceptional technical expertise and innovative product technology since the 1800s. By coupling revolutionary product developments with experienced staff, manufacturing and warehousing facilities worldwide, R&R successfully helps customers become casting industry leaders.
